

AVIDXCHANGE FOR DYNAMICS GP

WHAT WE DO

At AvidXchange, we automate the way companies pay their bills by providing invoice capture, approval workflows, electronic payments, and an integration with Microsoft Dynamics GP. AvidXchange enables you to login anytime, anywhere improving your visibility and control.

“ We’re always looking for opportunities to grow. We needed a process that was scalable and AvidXchange’s solution made it possible to bring on new properties and easily incorporate them in to our new Accounts Payable processes without hiring a new AP clerk.

Top 3 Benefits of Automating Your Payables

Reduce Processing Costs

Eliminate the hard and soft costs associated with paper invoices and checks. Customers have reduced their processing costs by 60%, or more.

Create Scalable Processes for Growth

Increase invoice and payment volume without hiring additional headcount.

Improve Control & Visibility

Configure workflows to your current processes, and gain 24/7 visibility into the status of invoices and payments anywhere you have an internet connection.

01

PURCHASE ORDER

Avid Ariett enables you to automate your company's purchase order process and control costs by preventing unwanted purchases.

02

ELECTRONIC INVOICE CAPTURE

Your suppliers can submit their invoices in a variety of convenient ways.

03

INTELLIGENT INVOICE APPROVAL WORKFLOW

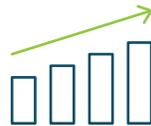

Avid Invoice is our automated rule-based routing system for processes and approvals that streamlines the invoice approval workflow.

04

REPORTING & ANALYTICS

Reports are available within our solutions to help you utilize all of the valuable data that you now have real-time access to in order to make optimal business decisions.

05

INTEGRATION

Avid Invoice's API integration with Dynamics GP provides a seamless user experience for creating transactions in your accounting system. Dynamics GP remains your system of record and invoices are transferred to Dynamics GP with 1-click.

06

FACILITATE 100% OF YOUR PAYMENTS

Once the payment batch is received from Dynamics GP, AvidXchange can facilitate 100% of your supplier payments while maintaining all of your banking relationships and current approval workflows.

Founded in the year 2000, AvidXchange transforms the way companies pay their bills. Trusted by more than 5,500 customers throughout North America, AvidXchange is the industry leader in automating invoice and payment processes.
