**Theresa D. – Controller | Hof's Hut Restaurants**

# Why our customers moving from on-premise to the Technology Management Concepts Azure cloud?

*"To cloud or not to cloud? The answer to this popular question may come down to a -when- decision, and not an -if- decision for many organizations. ERP's future is in the cloud! Not using cloud ERP solutions means facing extra cost and security risks."*

Jennifer Harris, TMC President

2018 ..... 2020

80%

of Fortune 500 are on the Microsoft Cloud.

76%

of businesses either plan on transferring or have already moved their ERP to the cloud.
