

# HONEYWELL GUIDED WORK SOLUTIONS FOR MICROSOFT DYNAMICS 365

Seamlessly integrated with Microsoft Dynamics 365 to enable hands-free, voice-guided workflows such as picking, receiving, replenishment, and put-away.

*Increase Productivity up to 35%*

*Decrease Error Rate up to 50%*

*Reduce Safety Incident Rate up to 20%*

*Cut Training Time up to 50%*

## **Turnkey Solution**

Bundle is seamlessly integrated with Microsoft Dynamics 365 to voice-enable pick lists, stock transfers, and replenishments.

## **Android Application**

Enables use of multiple interfaces including voice, scanning, and keypad on any compatible Android™ device along with your other applications.

## **Hands-Free and Eyes-Free**

Free your employees from being reliant on paper and screens so they can focus solely on their tasks, resulting in increased productivity, accuracy, and safety.

## **Fast Deployment**

Easy integration allows quick deployment so you can immediately take advantage of voice technology on Android devices.

**Honeywell**

 **Microsoft Dynamics 365**

# Guided Work Solutions by the Numbers

## Increased Productivity

Up to 35% improvement from legacy systems, allowing workers' hands to always be free to pick products and complete tasks.

## Improved Accuracy

With eyes always focused on the job, quickly find products in the correct location and reduce errors up to 50%.

## Works Across Distribution Center Functions

Automated picking, receiving, put-away, cycle counting, and more results in easy worker training across functions.

## Integrated Bundle Solution

Simple bundle offering includes hardware, headset, application, and licensing for easy purchase, deployment, and support.

## Enhanced Worker Satisfaction and Safety

Heightened worker productivity with voice guidance makes workers' jobs more intuitive and focused, resulting in less accidents.
