# YOU HAVE DEPLOYMENT OPTIONS WITH DOCLINK

## IMPLEMENT YOUR WAY AT YOUR PACE

Whether your organization is moving everything to the cloud or keeping everything on-premise, DocLink has options for you. Altec provides you the flexibility by offering you multiple deployment options.

### ON-PREMISE

- Purchase DocLink as a perpetual license or as an annual subscription.
- Install DocLink on your own in-house servers.
- Your IT department has complete control over installation, maintenance and support.
- Easily integrate to other on-premise applications.

### HOSTED

- Purchase DocLink as a perpetual license or as an annual subscription.
- The solution resides in a hosted data center or private cloud managed by your third party hosting service or reseller.
- Your hosting partner manages your infrastructure including software updates and patches.
- Utilize web services or standard on-premise integration framework.

### DOCLINK CLOUD

- DocLink Cloud is purchased as an annual or multi-year subscription. No up-front costs are required for hardware.
- DocLink is regularly updated as part of an active subscription with Altec.
- Your IT department no longer has to manage your software or servers.
- Utilize web services to integrate with other applications.

You have choices - regardless of how you want to deploy.
