AN AWARD WINNING MICROSOFT DYNAMICS 365 PARTNER

Sunrise Technologies was born over twenty years ago from one CIO's struggle to find consultants that specialized in apparel, footwear, textiles, and consumer goods. Since then, our verticals have expanded a bit, but we're still committed to his original idea that it is better to be exceptional at few things, than "just ok" at many. That's why we are so singularly focused on implementing great ideas with Dynamics 365.

WHY CHOOSE US AS YOUR PARTNER? IT'S SIMPLE.

Sunrise started as a supply chain technology consulting firm. That's why we love Dynamics 365's already robust supply chain functionality.
