know how...

Booth #1506

Continue your journey

beyond ERP

Find your Microsoft partner for life

Who we are

Columbus is a technology service and consulting business with more than 2,000 employees worldwide. We're experts in designing, implementing and maintaining business applications to help your business succeed in the digital age.

With over 30 years of experience serving more than 5,000 customers, we offer a comprehensive portfolio with deep industry knowledge and extensive technology experience to help modernize your business.

Our mission:

Help ambitious companies transform, maximize and futureproof their business digitally.

Full-service Microsoft Partner

Deep industry and consulting experience

30 successful years in business

2019 Microsoft Inner Circle

5,000+ customers worldwide

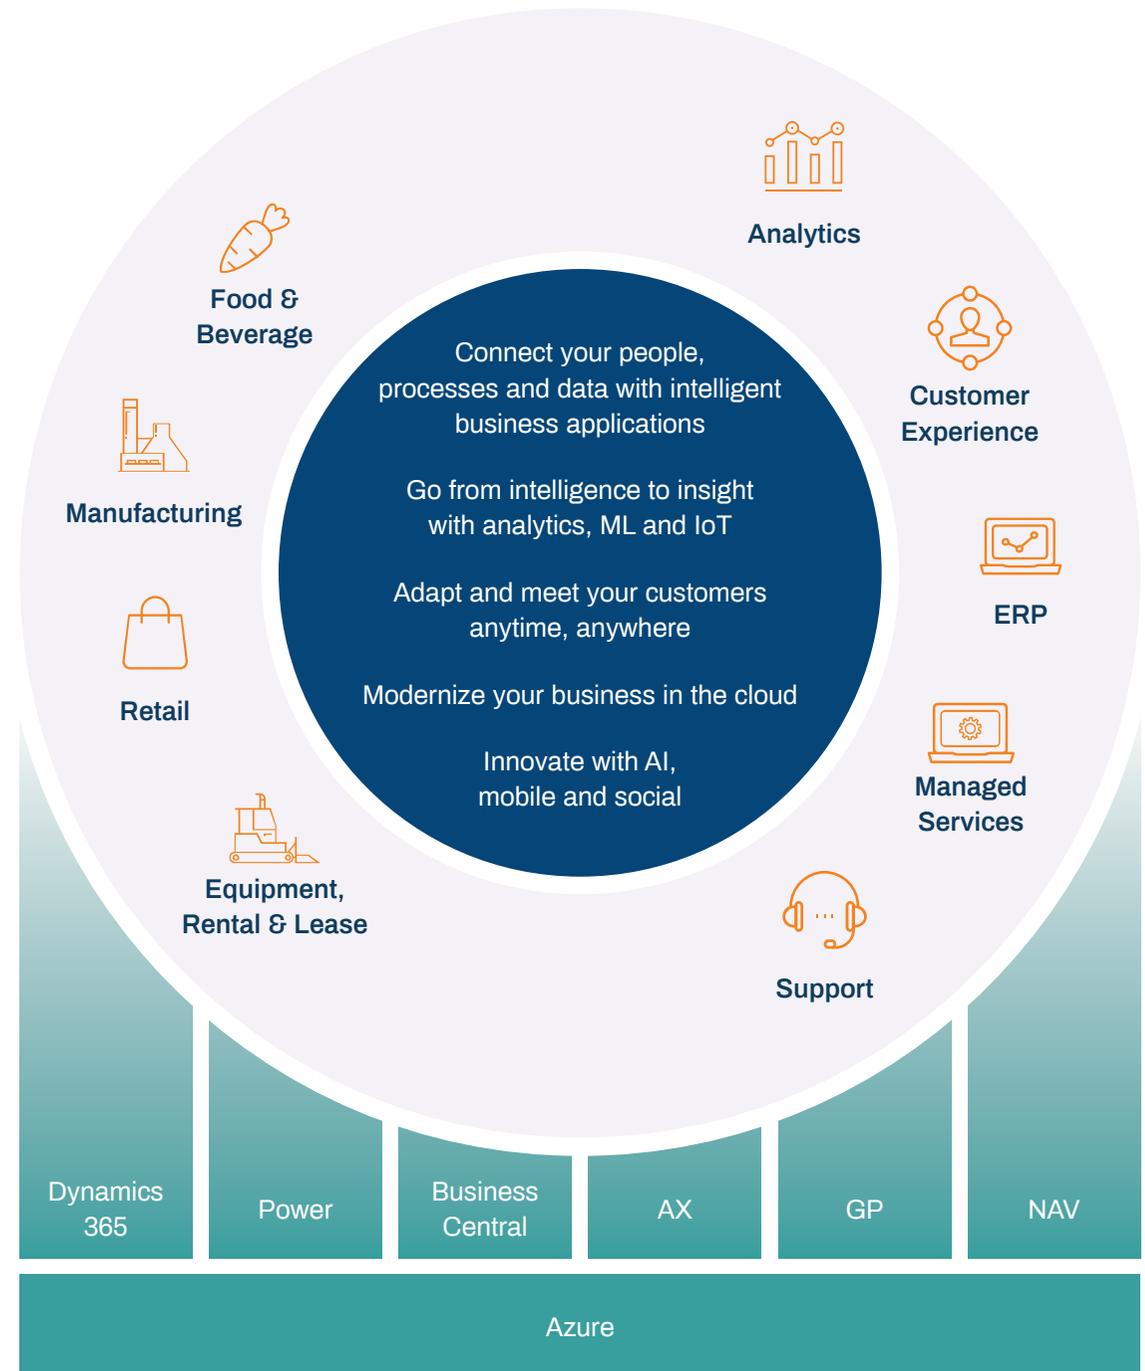

Member of Microsoft's President Club

What we do

Modernize your business with next-generation business applications for your industry

Columbus provides your business with an industry-specific solution, powered by the Microsoft stack; with intelligent business applications like ERP, CRM, Office 365, Business Intelligence and much more.

Get to know us

Website

Our website is packed with helpful resources like events, contact information and educational courses. You can also view our Dynamics blogs and sign up for email notifications. www.columbusglobal.com/en-us

Insights

Keep up with the latest assets from Columbus via our Insights page. Here we keep a library of not only industry reports, e-Books, fact sheets and guides, but also the latest videos and on-demand webinars. www.columbusglobal.com/en-us/insights

Events

Columbus has many events that we encourage our customers to attend. These events provide a way to better educate you on the solutions we provide as well as a way to get the best use out of the solution you have purchased. Events include: webinars, trade shows, annual customer events and User Group Summit. Bookmark our events page at: www.columbusglobal.com/en-us/events.

Newsletters

Sign up for our newsletter or any one of our various e-mail subscriptions such as training e-mails, upcoming webinars, new offers and promotions at: pages.columbusglobal.com/en-us/update-your-email-preferences-columbus

Blog

We have a blog dedicated to each Microsoft Dynamics solution we offer. These blogs are written by Columbus product experts and partners, and are designed as a tool to assist customers product needs, offer tips & tricks and provide useful information for the end user. www.columbusglobal.com/en-us/blog

Education

We offer Microsoft Dynamics GP educational courses at both our Minnesota and Texas locations. These courses are offered to increase our customers' knowledge of their purchased solution and also give the opportunity to speak one-on-one with experienced consultants. To view the training schedule and to register for classes, visit: pages.columbusglobal.com/en-us/training

ISV partners

Columbus is partnered with many third-party vendors who are recognized by Microsoft as leading solution providers in their respective industries.

Social media

Friend us on Facebook and follow us on LinkedIn & Twitter for our latest and greatest updates.

Special offers

Whether you're looking to add-on and enhance your business solution or would like to take it to the next level, we have an offer for you! Be sure to stop by our **booth #1506** to discuss any of the special offers we have this week.
