POWERFUL BUDGETING MADE EASY

There's a better  
way to budget

Developed by a GP  
customer for GP  
Customers.

Because other  
budgeting tools were  
too slow, too complex,  
and too expensive!

Zubin Gidwani, *Founder*

This is so  
much  
easier!

Remember how  
painful Budgets  
were last year?

**With Dynamic Budgets, managers make it their own budget,  
not Corporate's budget!**

Mid-market  
features at a small  
business price

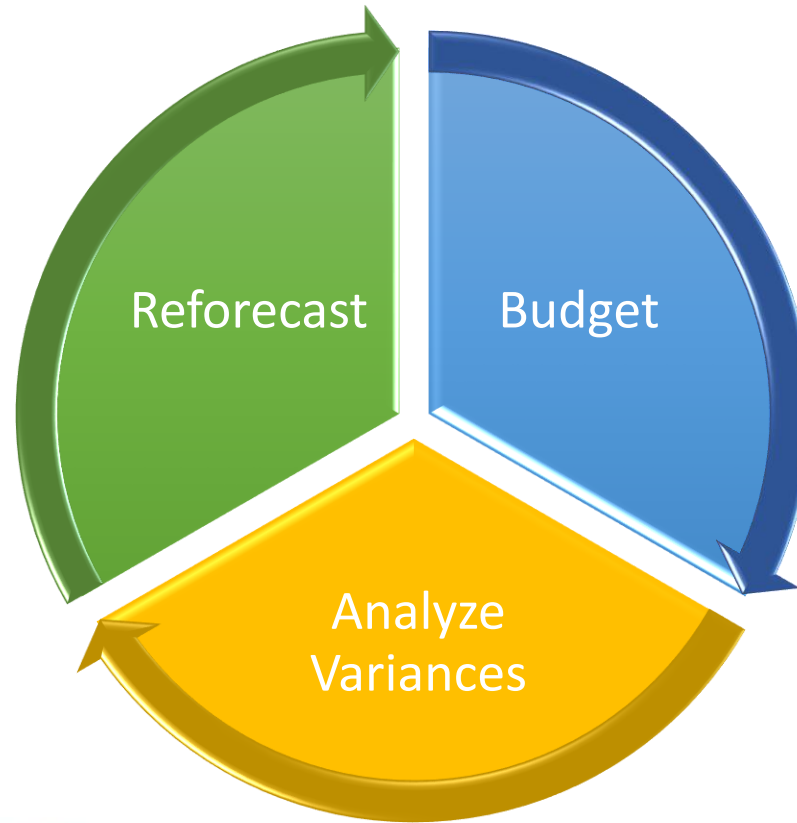

POWERFUL BUDGETING MADE EASY

Start simple,  
grow into its  
sophistication

### Reporting how you want it:

- Built-in reports with drilldowns
- Management Reporter
  - Power BI
  - Refreshable Excel reports
  - Jet Reports

### The hard things we make simple:

- ✓ Analytical Accounting
- ✓ Allocations
- ✓ Custom worksheets
- ✓ Shift Differential Payroll  
(for Healthcare and Hospitality)
- ✓ PO Encumbrance reallocations
- ✓ Remaining-to-spend reports
- ✓ Auto-blended forecasts
- ✓ What-if analysis
- ✓ Account level security
