

The logo for 'BI360' consists of the letters 'BI' in a light green color, followed by '360' in a dark blue color. A dark blue cloud-like shape is positioned above the '0'.Three thick, wavy lines in shades of yellow-green, teal, and dark blue flow across the middle of the page, creating a sense of movement and connectivity.

ENABLING WORLD-CLASS DECISIONS

Budgeting & Forecasting | Reporting & Consolidations
Dashboards & Analysis | Data Warehouse

SMART DECISIONS FROM ACROSS YOUR ORGANIZATION...ENABLED BY A DYNAMIC CLOUD PLATFORM...EXPERIENCE BI360!

REPORTING

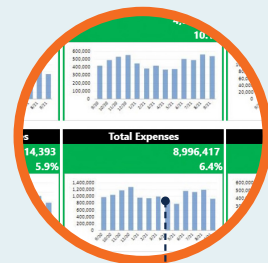

World-class report and form designer with a modern Excel add-in that publishes the report templates into the Web Portal, with sharing, drill-down commenting and viewing features.

BUDGETING

Complete data entry interface to capture strategies, goals, forecasts and budgets through the BI360 Web portal with workflow to help you manage it all.

DASHBOARDS

Drag and drop Ad-hoc reporting and powerful Excel and web graphics gives users answers WHEN they want it, HOW they want it.

DATA WAREHOUSE

Flexible and user friendly, it is the ideal place to bring your important data together in one single database.

Integrations

Cloud and on-premise data integrations. Pre-built or set up your own to automatically populate the Data Warehouse.

App-based Portal

Complete Web Portal, in the cloud or on premise. Enables easy access for all your users, anywhere and anytime.

FASTER, BETTER DECISIONS DRIVE PERFORMANCE

BI360, with its complete, modern Web interface, will give your organization the ideal corporate performance management platform to enable better and faster decision-making by automating and streamlining everything from strategy to forecasts, budgets, reports and analysis. User comments, workflow and automated email updates so that everyone can collaborate seamlessly and stay in the loop. BI360 is cloud-based and therefore deployed effortlessly.*

*On-premise version also available.
