# Microsoft Dynamics NAV

**Microsoft Dynamics NAV**

Microsoft Dynamics NAV is multi-language, multi-currency business management solution that helps more than 117,000 companies worldwide manage their accounting and finances, supply chain, and operations.

Start with what you need now, and easily adapt as your business needs change. In the Microsoft cloud or on your servers—the choice is yours.

Microsoft Dynamics NAV 2018 and Office 365 is the winning combination for business. When your email, calendar, and files seamlessly come together with your data, reports and business processes you get an integrated experience that no other stand-alone enterprise resource planning (ERP) solution can match.
