WHY AUTOMATE AND INTEGRATE?

- **27% of companies** don't know their invoice processing spend.
- 56% of companies process more than **10,000 invoices per month. 16% process over 40,000.**
- **$25 is the average amount** companies spend on **processing a single invoice**.

Alimera Sciences was able to **reduce invoice processing time by 93%** with DocuPhase's Accounting Automation solution.

"Our AP Clerk has found that the program itself has been somewhat of a God-send in the fact that it's lessened her workload tremendously."
