

DID YOU KNOW?

k-eCommerce delivers an **innovative, cloud-based** eCommerce solution that **simplifies** and **accelerates** an organization's ability to sell online. Fully integrated with the **Microsoft Dynamics™** suite, this solution offers a complete omnichannel platform for B2B and B2C. **k-eCommerce** is used by over **1,500 sites** in **15 countries**. This highly **scalable, secure** solution offers organizations in the wholesale, distribution, and retail industry the flexibility to **grow** their online business.

HERE ARE EIGHT REASONS WHY CUSTOMERS CHOOSE k-eCommerce:

1 INNOVATION

k-eCommerce develops **state-of-the-art** online eCommerce solutions. The solution is based on industry best practices.

2 INTEGRATION

Using a **bi-directional** flow of information, the solution integrates to Microsoft Dynamics™. This means there is only one point of maintenance.

3 RESPONSIVE

k-eCommerce's responsive web design means a **cohesive** experience across all devices, including smartphones, tablets, and desktop computers.

4 OMNICHANNEL

The solution is designed to help **reach new markets**, selling to consumers online, in-store, through resellers, or using marketplaces.

5 B2B/B2C/MARKETPLACE

k-eCommerce has features that are **optimized** for both B2B and B2C web stores, and offers an extension to online marketplaces like Amazon or eBay.

6 PCI-DSS CERTIFIED

k-eCommerce maintains full **PCI DSS Level 1 certification** to reduce risks related to data breaches.

7 CLOUD

All IT requirements and platform updates are managed by **k-eCommerce** thanks to the **private** and **secure** cloud environment.

8 EXPERTISE

k-eCommerce's knowledge of eCommerce is **extensive** and backed by over **15 years** of experience.

Visit **k-eCommerce** at **Booth 538** during the show or **contact us** for more information.
