Maplytics™ by INOGIC — innovative logic

Locational Intelligence Simplified!

Maplytics is a leading app on Microsoft AppSource and one of the first multi-language geo-analytical mapping apps to be Certified for Microsoft Dynamics 365 (CfMD). Maplytics empowers users across vertical to visualize their enterprise data on a map for accurate business insights and location intelligence.

Microsoft Dynamics 365 Certified

GEOCODE DATA
Maplytics helps you get geo data (latitude, longitude) from address fields in Dynamics CRM/365

MAP CRM DATA
A tool which gives the flexibility to search leads anywhere across the map even through freehand shapes

RADIUS SEARCH
Play smart and stay productive by searching nearby accounts through Maplytics

APPOINTMENT PLANNER
Stay organized as Maplytics radically simplifies the process of planning appointments on the go

NEARBY PLACES
Be it an airport, a gas station, a coffee shop or something else, Maplytics helps to find nearby places in a fraction of a minute

ROUTE OPTIMIZATION
Be ahead in the competitive world to promote and deliver services to more clients within less time with optimized routes

ANALYTICAL DASHBOARD
Understand market geography better through analytics and visual representation of Dynamics 365 data on a map

HEAT MAPS
Make smarter decisions and create powerful insights through visual representation of MS Dynamics CRM data on a map
