AvidXchange™ at a Glance

What We Do for Microsoft Dynamics GP Users

AvidXchange, a leader in AP and Payment Automation for the mid-market, automates the way companies pay their bills by providing invoice capture, approval workflows, electronic payments, and an integration with Microsoft Dynamics GP. AvidXchange enables our clients to login anytime, anywhere and gain immediate access to all of their payables data.

Top 3 Benefits of Automating Payables with AvidXchange

1

Reduce Processing Costs

Eliminate the hard and soft costs associated with paper invoices and checks. Customers have reduced their processing costs by 60%, or more.

2

Create Scalable Processes for Growth

Increase invoice and payment volume without hiring additional headcount.

3

Improve Control & Visibility

Configure workflows to your current processes, and gain 24/7 visibility into the status of invoices and payments anywhere you have an internet connection.

“ We’re always looking for opportunities to grow. We needed a process that was scalable and AvidXchange’s solution made it possible to bring on new properties and easily incorporate them in to our new Accounts Payable processes without hiring a new AP clerk.
