### The Art of Animals

- Animal Arts is the leader in designing healthful environments for animals.
- We know how a veterinary facility needs to operate to be efficient, profitable and provide the best quality of care.
- Our innovative designs incorporate state-of-the-art concepts, materials, and air-handling systems to lower stress, promote comfort and minimize disease transference.
- We assisted the Fear Free<sup>SM</sup> Initiative in developing guidelines for creating Fear Free hospital spaces.

### The Art of People

- Animal Arts believes listening is an art. Open communication is fundamental to our design process.
- Our knowledge can help you control costs, manage your project and expedite decisions.
- We will help you design a facility that anticipates and accommodates the future.
