WHAT OUR SELLERS SAY

Don't just take it from us. Read why NJ Municipalities love using Municibid.

"Municibid is an excellent way to auction unwanted surplus. The website is simple to navigate, it's easy getting connected with serious bidders, and we've had great results overall."

"Municibid has changed the face of selling surplus government equipment forever, from the first post to the reviews, the process could not be more user friendly and always successful."
