

## Executive M.P.A. Program

The Executive M.P.A. is designed for mid-career managers and leaders with 10 or more years of experience in the public and non-profit sectors. The program offers:

- ◆ 9-12 credits of advanced standing
- ◆ Intensive Saturday classes
- ◆ Preferential tuition rate
- ◆ International executive retreat

## Project-based Program

You and your cohort are asked to resolve problems, map solutions and collaborate or research. The project-based M.P.A. integrates accomplished practitioners with accomplished academics to give you the best of both worlds.

- ◆ Saturday classes
- ◆ A capstone project directly applicable to current issues
- ◆ Preferential tuition rate

## Four + One Program

Undergraduate students can complete both the Bachelor of Arts and Master of Public Administration in five years if they meet the M.P.A. admission requirements by their junior year.

## The Master of Public Administration (M.P.A.)

The Management Degree for  
Career Advancement in:

- ◆ Government
- ◆ Healthcare
- ◆ Nonprofit Organizations
- ◆ Education
- ◆ Public Services

At FDU, we think public service is a calling, public administration is a necessity, and public-regarding citizens are essential to a healthy and good society.

Since 1974 we have been preparing successful professionals who seek the rewards and challenges of a public service career. Our curricula are designed to equip you with the conceptual, analytic and managerial skills to master public administration.

## Is this for me?

Students new to the field will acquire a wide knowledge of issues in public management that are common to public administrators. Experienced administrators will be able to exchange perspectives with each other and anticipate the process of addressing change and continuous improvement.

## Where and When?

Our traditional MPA program is offered at both FDU's Florham Campus in Morris County and at our Metropolitan Campus in Bergen County. Classes meet on weeknights and follow the traditional semester system. In addition, we have cohorts of weeknight and weekend classes at: Neptune, Jersey City, EWR and JFK airports, downtown Newark, Valley Health, and Camden and Cumberland County Community Colleges.

## M.P.A. Certificates

Students may earn certificates after completing the required 18 M.P.A. credits. Credits may then be applied towards completion of the Master's degree.

- ◆ Certificate in Public Management
- ◆ Certificate in Transportation Management

Dr. Martin Luther King at FDU

## Degree Requirements

The M.P.A. degree is granted for a minimum of 39-42 credits, including a project or thesis.

## M.P.A. Specializations

We offer you the opportunity to tailor your studies to your specific career goals in government, healthcare, non-profit management, public services and education.

Each Specialization Requires 12 credits.

### Healthcare Management

This track consists of courses that, in combination with the M.P.A. core curriculum, meet the accreditation standards of the Association of University Programs in Health Administration. Students investigate a range of topics from *Managing the Continuum of Care* and *Global Health Issues* to *Comparative Health Systems* and *Health Finance and Control Systems*.

### Public Finance

Go into your next job with confidence having mastered finance and accounting for public and non-profit administrators.

### Public Policy

Leaders are called on to help analyze, evaluate and devise policy for others to implement. This specialization cuts across a variety of subject matter to assess problems and devise solutions.

### Religious and Community Leadership

A new and unique program designed specifically for leaders within the religious community who want to expand their scope of knowledge to better serve their congregations.

## Public Management

Students choosing this specialization take a broad range of management studies from *Employee Relations* and *Delivery of Public Services* to *Organizational Performance Assessment*.

Alumnus and 53<sup>rd</sup> Governor of NJ, Dick Codey

## Global Affairs

Examines the expansive range of economic and political issues around the world as well as administrative structures, policy and management issues in the arena of international relations, stressing comparative analysis, communication, leadership and historical and cultural perspectives. (off-campus)

## Global Transportation Management

The background, administrative structure, issues, environmental components and operational aspects of international transportation and commerce. (off-campus)
