

American College of Osteopathic Surgeons – Political Action Committee Donation Form

The American College of Osteopathic Surgeons – Political Action Committee (ACOS-PAC) is the political action committee of the American College of Osteopathic Surgeons (ACOS). The ACOS-PAC is non-partisan and does not base its support on political party. It focuses its contributions on the recipients' voting records and campaign promises. The ACOS-PAC is the only political action committee whose sole purpose is to promote the interests of the osteopathic surgical profession and the patients for whom they provide care.

From medical student to practicing surgeon, it is critical to champion legislation that supports aspiring osteopathic surgeons throughout the continuum of their careers. Federal funds for graduate medical education, a robust pipeline of physicians, and fair reimbursement, are just a few examples of how your donation can have a positive impact on our profession.

If you would like to contribute today, please complete the form below and mail it the ACOS office at 1680 Duke Street Suite 500 Alexandria, VA 22314.
