<b>CHAPTER 10</b>	<b>87</b>
IVDR Overview - Articles	87
Article 1: Subject Matter and Scope	88
Article 2: Definitions	90
Article 3: Regulatory status of products	91
Article 4: Genetic Information, Counselling and Informed Consent	92
Article 5: Placing on the market & putting into service	93
Article 6: Distance Sales	95
Article 7: Claims	96
Article 8: Use of harmonised standards	97
Article 9: Common specifications	99
Article 10: General obligations of manufacturers	101
Article 11: Authorised representative	106
Article 12: Change of authorised representative	108
Article 13: General obligations of importers	109
Article 14: General obligations of distributors	111
Article 15: Person responsible for regulatory compliance	112
Article 16: When Manufacturer obligations apply to others	114
Article 17: EU Declaration of conformity	116
Article 18: CE marking of conformity	117
Article 19: Devices for special purposes	118
Article 20: Parts and components	119
Article 21: Free movement	120
Article 22: Identification within the supply chain	121
Article 23: In Vitro Diagnostic Devices nomenclature	123
Article 24: Unique Device Identification system	124
Article 25: UDI database	126
Article 26: Registration of devices	127
Article 27: Eudamed registration	128
Article 28: Registration of Economic Operators	129

Article 29: Summary of safety and performance	130
Article 30: European database on In Vitro Diagnostic Devices	133
Article 31: Authorities responsible for notified bodies	135
Article 32: Requirements relating to notified bodies	136
Article 33: Subsidiaries and subcontracting	137
Article 34: Designation of notified bodies	138
Article 35: Assessment of the application	139
Article 36: Nomination of experts	141
Article 37: Language requirements	142
Article 38: Designation and notification procedure	143
Article 39: Number and list of notified bodies	144
Article 40: Monitoring and re-assessment of notified bodies	145
Article 41: Review of notified body assessment	146
Article 42: Changes to designations and notifications	147
Article 43: Challenge to the competence of notified bodies	149
Article 44: Exchange between authorities	150
Article 45: Coordination of notified bodies	151
Article 46: List of standard fees	152
Article 47: Classification of devices	153
Article 48: Conformity assessment procedures	154
Article 49: Conformity assessment	155
Article 50: Scrutiny of Class D devices	156
Article 51: Certificates of conformity	157
Article 52: Electronic system on NBs and certificates	158
Article 53: Voluntary change of notified body	160
Article 54: Derogation from conformity assessment	161
Article 55: Certificate of free sale	162
Article 56: Performance evaluation and clinical evidence	163
Article 57: Performance studies	166
Article 58: Requirements for certain studies	167

## Contents

Article 59: Informed consent	169
Article 60: Performance studies on incapacitated subjects	170
Article 61: Performance studies on minors	171
Article 62: Studies on pregnant & nursing women	172
Article 63: Additional national measures	173
Article 64: Performance studies in emergency situations	174
Article 65: Damage compensation	175
Article 66: Application for performance studies	176
Article 67: Assessment by Member States	177
Article 68: Conduct a performance study	178
Article 69: Electronic system on performance studies	179
Article 70: Studies regarding CE marked devices	180
Article 71: Modifications to performance studies	181
Article 72: Corrective measures by Member States	182
Article 73: Information to be provided	183
Article 74: Coordinated assessment for studies	184
Article 75: Review of coordinated assessment	185
Article 76: Reporting adverse events during studies	186
Article 77: Implementing acts	187
Article 78: Post-market surveillance system	188
Article 79: Post-market surveillance plan	189
Article 80: Post-market surveillance report	190
Article 81: Periodic safety update report	191
Article 82: Serious incidents and FSCA	193
Article 83: Trend reporting	195
Article 84: Analysis of incidents & FSCA	196
Article 85: Analysis of vigilance data	198
Article 86: Implementing acts	199
Article 87: Electronic system on PMS	200
Article 88: Market surveillance activities	201

Article 89: Devices presenting an unacceptable risk	202
Article 90: Dealing with devices presenting risk	203
Article 91: Evaluating measures at Union level	204
Article 92: Other non-compliance	205
Article 93: Preventive health protection measures	206
Article 94: Good administrative practice	207
Article 95: Electronic system on market surveillance	208
Article 96: Competent authorities	209
Article 97: Cooperation	210
Article 98: In Vitro Diagnostic Device Coordination Group	211
Article 99: Tasks of the MDCG	212
Article 100: The EU reference laboratories	214
Article 101: Device registers and databanks	216
Article 102: Confidentiality	217
Article 103: Data protection	218
Article 104: Levying of fees	219
Article 105: Funding of notified bodies	220
Article 106: Penalties	221
Article 107: Committee procedure	222
Article 108: Exercise of the delegation	223
Article 109: Delegated acts for delegated powers	224
Article 110: Transitional provisions	225
Article 111: Evaluation	226
Article 112: Repeal	227
Article 113: Entry into force and date of application	228
<b>CHAPTER 11</b>	<b>231</b>
IVDR Overview - Annexes	231
ANNEX I - General Safety & Performance Requirements	232
ANNEX II - Technical Documentation	297
ANNEX III - Technical Documentation on PMS	311

## Contents

A typical PMS Checklist	313
ANNEX IV - EU Declaration Of Conformity	314
ANNEX V - CE Marking of Conformity	316
ANNEX VI - UDI	318
ANNEX VII - Requirements to be met by Notified Bodies	321
ANNEX VIII - Classification Rules	324
ANNEX IX - Conformity Assessment based on a QMS	326
ANNEX X - Conformity Assessment based on Type-Examination	329
ANNEX XI - Production Quality Assurance	331
ANNEX XII - Certificates issued by a Notified Body	333
ANNEX XIII - Performance Evaluation	335
ANNEX XIV - Interventional Performance Studies	338
ANNEX XV - Correlation Table	342
