SPOTLIGHT ON RESEARCH

As a leader in the health information field, Elsevier hosts an annual presentation on matters important to medical librarians, researchers and health information specialists who serve medical centers and medical schools across the U.S. and Canada. This year our presentation will highlight a multi-session series from *The Lancet*, Embase and *Cell Press*.

- The Lancet: ***The Third Shift: advancing women in medicine, science, and global health*** - Speaker: Rebecca Cooney, Executive Editor, *The Lancet*
- Embase: ***Creating high-quality systematic reviews using Embase & Embase 2020 highlights*** - Speaker: Yvonne van de Vrede, Product Manager, Embase
- Cell Press: ***Cell Press' Expansion into Medical Publishing*** - Speaker: Nikla Emambokus, Executive Editor and Editor-in-Chief, *Cell Press*
