

# GEST 2018 U.S.

Global • Embolization • Cancer • Symposium • Technologies

**May 17-20, 2018 | Miami Beach, FL**

**G**lobal Embolization Symposium and Technologies (GEST) serves as the definitive embolotherapy resource, providing both clinically relevant research updates from the field and highly practical instruction. GEST 2018 U.S. will feature a comprehensive Exhibit Hall showcasing the latest technology and services in support of the field, providing companies with a productive, cost-effective means to reach their target audience. Exhibitors are invited to play a role in the important exchange of information that takes place at this dynamic symposium by presenting their products and services to an active, receptive audience of decision makers.
