LETTER FROM THE CONFERENCE LEADERSHIP

Dear Colleagues,

It is our distinct pleasure to invite you to participate in the 2018 AATOD Conference, which will convene at the New York Marriott Marquis Hotel, March 10 – 14, 2018. We are grateful to have the support and sponsorship of the New York State Office of Alcoholism and Substance Abuse Services (OASAS) and we thank COMPA: The Coalition of Medication Assisted Treatment Providers and Advocates, as well as the conference planning committee for their efforts.

We have chosen one of the premier hotels in Times Square as the site for this conference. Conference participants will be surrounded by the bright lights of Broadway, steps away from world-famous theaters, acclaimed dining and countless other attractions, and will return to some of the most spacious guest rooms in New York City.

Our conference theme, *Advancing & Integrating Specialized Addiction Treatment & Recovery*, will address the continuing opioid epidemic and the importance of integrating service delivery with a wide network of medical and community-based providers to ensure optimal care, recovery and support for patients and families. This conference has a rich history in content development and building on the success of previous conferences. We expect to draw a significant number of conference participants. The opioid dependence treatment field is expanding and there are now more than 1,500 certified Opioid Treatment Programs (OTPs) treating over 375,000 patients in the United States. In addition, our international counterpart, EUROPAD, representing over 600 OTPs in more than 27 countries, will be in attendance. Through the work of AATOD and EUROPAD in forming the World Federation for the Treatment of Opioid Dependence, exhibitors will have the opportunity to expand their customer base by marketing their products to a worldwide audience.

The AATOD Conference draws an impressive number of decision-making Program Sponsors and Chief Executive Officers who visit our exhibit area to learn about new and existing products. This conference will continue our tradition of offering exceptional opportunities for exhibiting companies to interact with professionals and officials devoted to the treatment of opioid use disorder throughout the nation and internationally.

With over 100,000 square feet of event space, the New York Marriott Marquis Hotel has ample room for attendees to network and mingle. The Exhibit Hall is spacious, attractive and is centrally located within the main conference area. In addition, the welcome reception, daily continental breakfasts, afternoon breaks, and other networking functions and conference activities will all gather in the exhibit area during dedicated times ensuring maximum exhibit exposure. As in the past, we have listened to our exhibiting companies and are planning our conference to ensure that people will actively participate in our programs and exhibit areas. We have added complimentary coffee and tea service in the Exhibit Hall to further encourage that this is “the” place to meet throughout the day.

We encourage exhibitors to reserve an exhibit space for the 2018 AATOD Conference as soon as possible to secure a prime booth location and receive the early bird discount rate. Booth prices will increase on September 9, 2017. We also advise you to book hotel rooms at your earliest opportunity.

We sincerely hope that you will decide to join us for another extraordinary AATOD Conference in one of the great cities of the world. We look forward to seeing you in New York City!

Sincerely yours,
