## VIVA FACE-OFF

### SCHOLARSHIPS

NOV. 5-8, 2018  
WYNN LAS VEGAS

### **REGISTRATION NOW OPEN FOR VIVA 18 AND THE ANNUAL FACE-OFF COMPETITION**

The 16th annual VIVA conference will once again bring together thought leaders in vascular intervention and medicine to deliver 4 days of innovative education focused on PVD.

VIVA's Face-Off competition is your chance to present an interesting case or your original research in a 7-minute session, followed by 3 minutes of Q&A from VIVA faculty. Presentations are judged on a variety of criteria and winners then present their case during the final day in general session.

#### REGISTER NOW:

1. Visit [vivaphysicians.org/physicians-in-training](http://vivaphysicians.org/physicians-in-training) for program details
2. Download the verification form for your program director to sign
3. Register for the conference at [vivaphysicians.org](http://vivaphysicians.org) before August 17
4. Once your registration is accepted, submit your scholarship application and Face-Off presentation before September 7

### **SCHOLARSHIP DETAILS**

A limited number of scholarships are available for fellows and residents participating in Face-Off. Scholarships will cover your coach airfare, hotel during the conference, and tuition to the premier PVD educational conference.

Please note that scholarships are limited and you are encouraged to apply as soon as possible.
