Invitation to Exhibit

We invite your industry-related organization to join us for the International Nursing Association for Clinical Simulation & Learning Conference. By exhibiting at this event, vendors have the opportunity to showcase their products and services to over hundreds of industry professionals who are at the forefront of education and management in simulation settings around the world. INACSL’s mission is advancing the science of healthcare simulation. INACSL is the global leader in transforming practice to improve patient safety through excellence in healthcare simulation.

Nurses and other healthcare professionals will network with exhibitors to discuss best practice, research, safety-related outcomes and challenges. This is a great opportunity for organizations to advertise, promote and support the nursing community by exhibiting and sponsoring. Increase your visibility today and let your organization be in the spotlight this year.

Vendor relationships are very meaningful to our attendees. We appreciate the dedication and commitment that each vendor provides from constructing inviting displays to simply networking with attendees until the last minute. Our participants respect the partnerships and look forward to seeing your company year after year. We hope to see you in June!

The INACSL Conference, 2019 will be held at the JW Marriott Phoenix Desert Ridge Resort and Spa located at 5350 East Marriott Drive, Phoenix, Arizona 85054. The nightly room rate for single/double occupancy is $189 USD plus tax. Reservations may be made online via our website, www.inacsl.org once available.

The official contractor, Viper Tradeshow Services, can provide shipping, drayage, additional furniture, installation and dismantling labor as well as additional booth services. An Exhibitor Service Kit outlining all ordering of products and services will be sent prior to the move-in date. If you choose not to ship through Viper, you are solely responsible for items shipped to the advanced warehouse or show site via your own carrier. These locations will be outlined in the exhibitor service kit. The conference management will not assist with early shipments sent directly to the hotel, nor can we store your items. The Viper Service Kit will be sent after full booth payment is confirmed and received. Contact Viper Tradeshow Services for further information at 847-426-3100.

Assignment of Booth Space
INACSL reserves the right to exercise its sole discretion in the acceptance or refusal of exhibit space applications.

Per INACSL policy, booth space will be assigned based on our priority point system (see details below). The highest point exhibitors will be listed and contacted in number order to select a booth location based on the availability remaining.

In order to be included in the booth assignment process, your contract and payment needs to be received in the INACSL office no later than **Friday, March 1, 2019**.

Priority Point System
Priority for booth space assignment is based on points awarded to previous INACSL exhibitors. Each exhibitor will obtain 1 point per advanced month in which the contract is received before the deadline; 1 point for each 10x10 space rented; and a bonus of 3 points added to the sum for each consecutive year of exhibiting in the past 5 INACSL annual conferences. To benefit from your priority points, INACSL must receive your contract for exhibit space and payment before the March 1, 2019 deadline. Contracts received after March 1, 2019 will be assigned booth space based on availability.

Cancellation of Exhibit Space Contract
Cancellation/Refund of exhibit space must be directed in writing to the INACSL office. No refunds will be made after April 5, 2019. There will be a $500 cancellation fee to process all refunds. In case of fire or the elements, or any other cause beyond the control of the management, the contract is not binding.

Payment and Provisions in Case of Default
If the Exhibitor fails to pay when due any sum required by the Contract for Exhibit Space, or shall fail to observe or abide by the Rules and Regulations, INACSL reserves the right to terminate this contract immediately without refund of any monies previously paid.

In order to set up your booth at the 2019 Conference, your balance must be paid in full. If there is a balance due, exhibitors will need to pay that before they can begin setting up their booth display.

Subletting of Exhibit Space and Prohibited Use
Exhibitors are strictly prohibited from assigning or subletting a booth or any part of the space allotted to them. Objectionable audible or visual attention-getting devices are prohibited. Photography and/or videotaping are prohibited. Sample giving shall not interfere with other exhibitors’ space. No selling is permitted in the aisles. Films shown for entertainment value, without educational or informative value, will not be permitted.

Insurance and Liability

It is agreed that INACSL shall not be liable to the exhibitors for any loss, damage or injury to their property contained in such exhibits; or injuries to his/her person, no matter how sustained, whether from fire, theft, accident or other causes. The exhibitor expressly waives all claims from such loss, damage or injury. Exhibitors or their agents may not allow any articles to be brought into the exhibition or any act done on the premise that will invalidate the insurance or increase the premium on the policies held by the management or INACSL. Exhibitors or their agents are not permitted to do anything through which act the premises, property or equipment of or other exhibitors will be damaged. No signs can be affixed, nailed or otherwise attached to walls, doors, etc. in such a manner as to deface or destroy them. Likewise, no attachments can be made to the floors by nails, screw or any other devices that would damage them. Violations will annul the exhibitor’s contract and he/she will be held liable for damages from such violations.

Entertainment of Buyers

The scheduling by exhibitors of private functions, hospitality suites, cocktail parties, special events or large parties, etc. during conference hours and during scheduled INACSL program activities (including meals and sponsored events) is strictly prohibited. This includes taking attendees to dinner on evenings during conference scheduled events. Many exhibitors sponsor events for our attendees and if other exhibitors choose to entertain attendees at the times of these scheduled conference events, it may discourage sponsorship in the future. Our sponsors allow us to have a high quality conference and decrease additional expenses to attendees. We ask that you schedule events outside of all conference functions to ensure maximum participation to each organization respected function. INACSL also will not approve function space for educational activities that conflict with scheduled Conference activities.

Conduct of Exhibitors

Exhibitors will conduct themselves in an ethical manner at all times and in conformance with these regulations. INACSL reserves the right to deny the privileges of the floor to any exhibitors who do not do so. Exhibitor badges are personal, non-transferable and must be worn at all times.

Attendance of Educational Functions

Exhibitors may attend any of the educational sessions on a space-available basis, with the exception of the pre-conference programs. Exhibitors attending educational programs are cautioned that they may audit programs, but not comment or enter into discussion, or receive CNE for their attendance. In order to receive CNE for attendance, exhibitors must also register as a conference attendee.
Exhibitor shall be fully responsible to pay for any and all damages to property owned by the INACSL, which results from any act or omission of Exhibitor. Exhibitor agrees to defend, indemnify and hold harmless INACSL, its owners, managers, officers or directors, agents, employees, subsidiaries and affiliates from any damages or charges resulting from or arising from or out of or by reason of any accident or bodily injury or other occurrences to any person or persons, including the Exhibitor, its agents, employees and business invitees which arise from or out of Exhibitor’s occupancy and/or use of the exhibition premises, INACSL or any part thereof.

The Exhibitor understands that INACSL does not maintain insurance covering the exhibitor’s property and that it is the sole responsibility of the Exhibitor to obtain such insurance.

INACSL cannot be held responsible for the cost of a non-refundable airline ticket or flight change in the event of a course cancellation or the rescheduling of the program. Upon registering in any activity, the participant agrees that INACSL and their affiliates, and all personnel associated with the program are not responsible or liable for any injuries or other damages sustained by the attendee in connection with the scheduled activity, and the participant hereby releases each of them from any claims against them arising directly or indirectly from any such injury or damage.

The registered participant & exhibitor grants permission to INACSL (and its designees and agents) to utilize the participants image, likeness, actions and/or statements in any live or recorded audio, video, or photographic display or other transmission, exhibition, publication, or reproduction made of, about, or at, the activity without further authorization or compensation. Participants may not use video or audio recording devices during the program or scheduled events. Registering for any INACSL event constitutes acceptance of these terms.
