

EIPBN
SAN FRANCISCO 2023

**Hilton San Francisco
Union Square**

**May 30 – June 2,
2023**

The 66th International Conference on
Electron, Ion and Photon
Beam Technology and
Nanofabrication

The International Conference on Electron, Ion, and Photon Beam Technology and Nanofabrication (EIPBN), affectionately known as “3-beams,” is the premier gathering of scientists and engineers who are dedicated to electron, ion and photon lithography, imaging, and analysis; atomically precise fabrication; nanofabrication process technologies; related emerging technologies; and their applications in a broad spectrum of fields. This is the 66th meeting of the EIPBN, where top researchers from academia, government laboratories, and industry from around the world meet to present and discuss recent trends and future directions in these technologies.

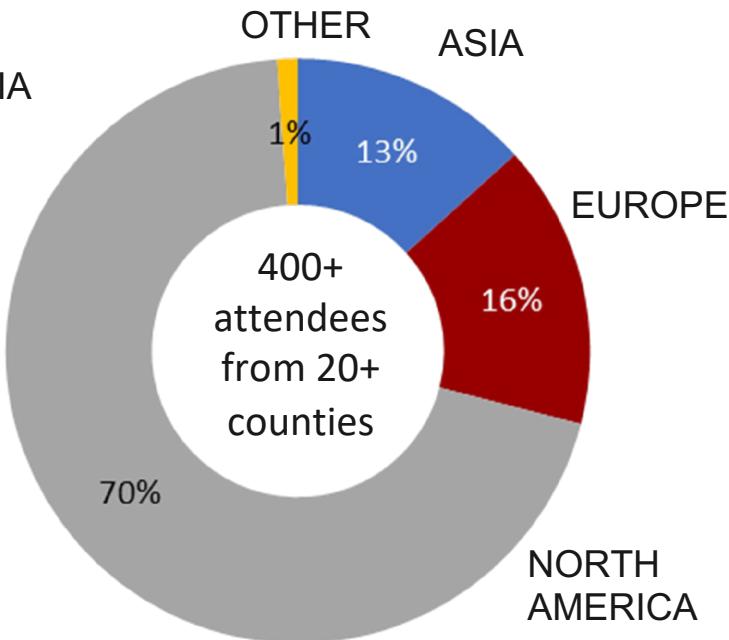

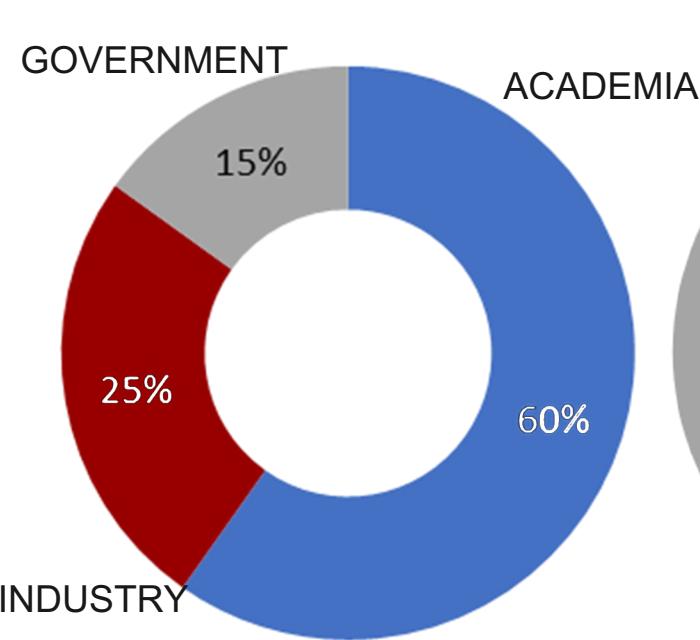

EIPBN 2023 Commercial Session Highlights

- A forum to reach more current and future customers
- Over six hours of attendee engagement through dynamic interactions
- Prominent display of your company logo on our conference website
- Integrated exhibition and poster sessions
- Commercial session talks
- Industrial session presentation opportunities
- Direct booth traffic
- Branding and promotional opportunities to increase visibility and attendee interactions

Attendance & Becoming an Exhibitor

The 2023 EIPBN commercial session runs from Tuesday, May 30, to Thursday, June 1, 2023, and provides an outstanding opportunity to meet and interact with top scientists and engineers in fields ranging from biological and chemical sciences to nanoelectronics. The average annual attendance between 2012-2019 is 430 spanning over 20 countries consisting of 70% from North America, 15% from Europe, 13% from Asia, and the remaining from other countries. Academic attendees make up 60% of our attendees, with 25% from industry and 15% from government labs.

The commercial session at EIPBN is an excellent opportunity to foster existing alliances, promote new businesses, reconnect with existing customers, generate new leads, and interact with leading experts from academia, government labs and industry from around the world. Corporate sponsorships play an important role in the continued success of the conference by helping to support our community in a variety of ways, including supporting student attendees, Women in Nanofabrication (WIN), Startup Contest, and the Student Lunch. Our unique environment will expand your organization's visibility by increasing your exposure to our community which will help build new and long-lasting relationships. This year features Platinum, Gold, Silver and Bronze tiered sponsorships providing additional benefits to our exhibitors and sponsors.

Commercial Session

The commercial session is an excellent opportunity to reconnect with existing customers, generate new leads, and interact with leading experts from industry, academia, and government laboratories while promoting new business and alliances.

All exhibitors and sponsors will have their logos displayed on the website, at the conference, and in the digital program guide. Exhibitors will be allowed (based on availability) to give an oral presentation about their company during the commercial session and present during the Industrial Highlights Session. To help promote foot traffic, attendees are encouraged to visit all the booths to enter a prize raffle. The winner will be announced at the Banquet. Select booth staff and sponsor representatives are invited by the Conference Chair to attend a reception to recognize and thank you for your support.

Being a sponsor is a great way to promote your business. In many cases, sponsors are encouraged to work with the conference coordinator on branding and other promotional opportunities that can increase visibility and interaction with attendees.

Exhibitor and Sponsor Benefits

- One (1) complimentary tech pass per booth
- Industrial Highlights Session
- Commercial Session Pitch Talks
- Prominently displayed logos on the conference website and collateral materials
- Attendees that visit more than 30 exhibits will be put into a raffle for \$100.
- “Thank You” reception for select exhibitor booth staff and sponsors
- “Bar” sponsors will receive 10 additional drink tickets to pass around
- Prominently displayed logo on the conference t-shirt for any additional sponsorship $\geq \$1k$

Tiered Sponsorships

Four support levels are available to help drive traffic to your booth and increase interactions with the attendees. The support levels are determined by the total contribution to sponsorships that include breakfasts, coffee breaks, and lunches, as well as purchases like booths, branded swag, and banquet tickets. It does not include registration.

Platinum is the top support level. Companies with total contribution sponsorships and other purchases that exceed \$15k before April 4, 2023, or \$17k after that will be recognized as Platinum Sponsors. Platinum Sponsors are allowed two slides to be shown during session intermissions that showcase their company, including sponsorship level, and to announce exclusive offerings. They can request up to 2 courtesy banquet tickets, and 5 additional booth staff.

Gold is the second-highest support level. Companies with a total contribution to sponsorships, and other purchases that exceeds \$13k before April 4, 2023, or \$15k thereafter will be recognized as gold sponsors.

Gold sponsors are allowed one slide to showcase their company during session intermissions. They can request up to 1 courtesy banquet ticket and 3 additional booth staff.

Silver is the third highest support level. Companies with a total contribution to sponsorships and other purchases that exceeds \$10k before April 4, 2023, or \$12k after that will be recognized as silver sponsors. Silver sponsors will have their company logo prominently displayed with other silver sponsors during session intermissions. They can request up to 2 additional booth staff.

Bronze is the fourth-highest support level. Companies with a total contribution to sponsorships and other purchases that exceeds \$7k before April 4, 2023, or \$9k after that will be recognized as bronze sponsors. Bronze sponsors will have their company logo prominently displayed with other bronze sponsors during session intermissions. They can request up to 1 additional booth staff.

Marketing Driven Sponsorship

Connecting with existing customers and creating new ones is the primary reason for exhibiting at EIPBN. Our unique environment will increase your organization's visibility and exposure to our community and help build new relationships that will last. To this end, incentives encourage attendees to visit the exhibits and attend the oral presentations. Event sponsors are welcome to work with the conference coordinator on branding and other promotional opportunities that can increase visibility and interaction with attendees.

Sponsorships Opportunities

Exclusive Branding will be available for folios, conference bags, banners, lanyards, hotel room keys, water bottles, and USB keys. Exclusive branding increases both visibility and brand recognition.

Events include sponsoring or co-sponsoring activities like the *Women in Nanofabrication*, *Student Lunch*, *Startup Contest*, and *Poster Session*. Sponsors will be acknowledged at the beginning of the lunch, and your logo will be prominently displayed at the event location.

Bar Sponsorships for the Welcome Reception, Poster Session, and Banquet bars. Sponsorships for these bars will include ten (10) additional drink tickets for the sponsor to pass out at their discretion.

Student Sponsorships help offset the Hilton room costs. Your generous contribution of \$1000 offsets the room costs at the Hilton for our student speakers. As a "thank you," your corporate logo will be featured on the EIPBN t-shirt. The first 300 attendees will receive a t-shirt at the conference. Sponsorship is due April 4, 2023, to be included on the t-shirt.

Session Breaks include sponsoring our coffee breaks, ice cream breaks or meal services. Sponsors will be prominently identified at the service site. Sponsored session breaks will be held exclusively in the commercial session area. When possible, the coffee and/or ice cream snack tables will be placed in the vicinity of the sponsor's booth.

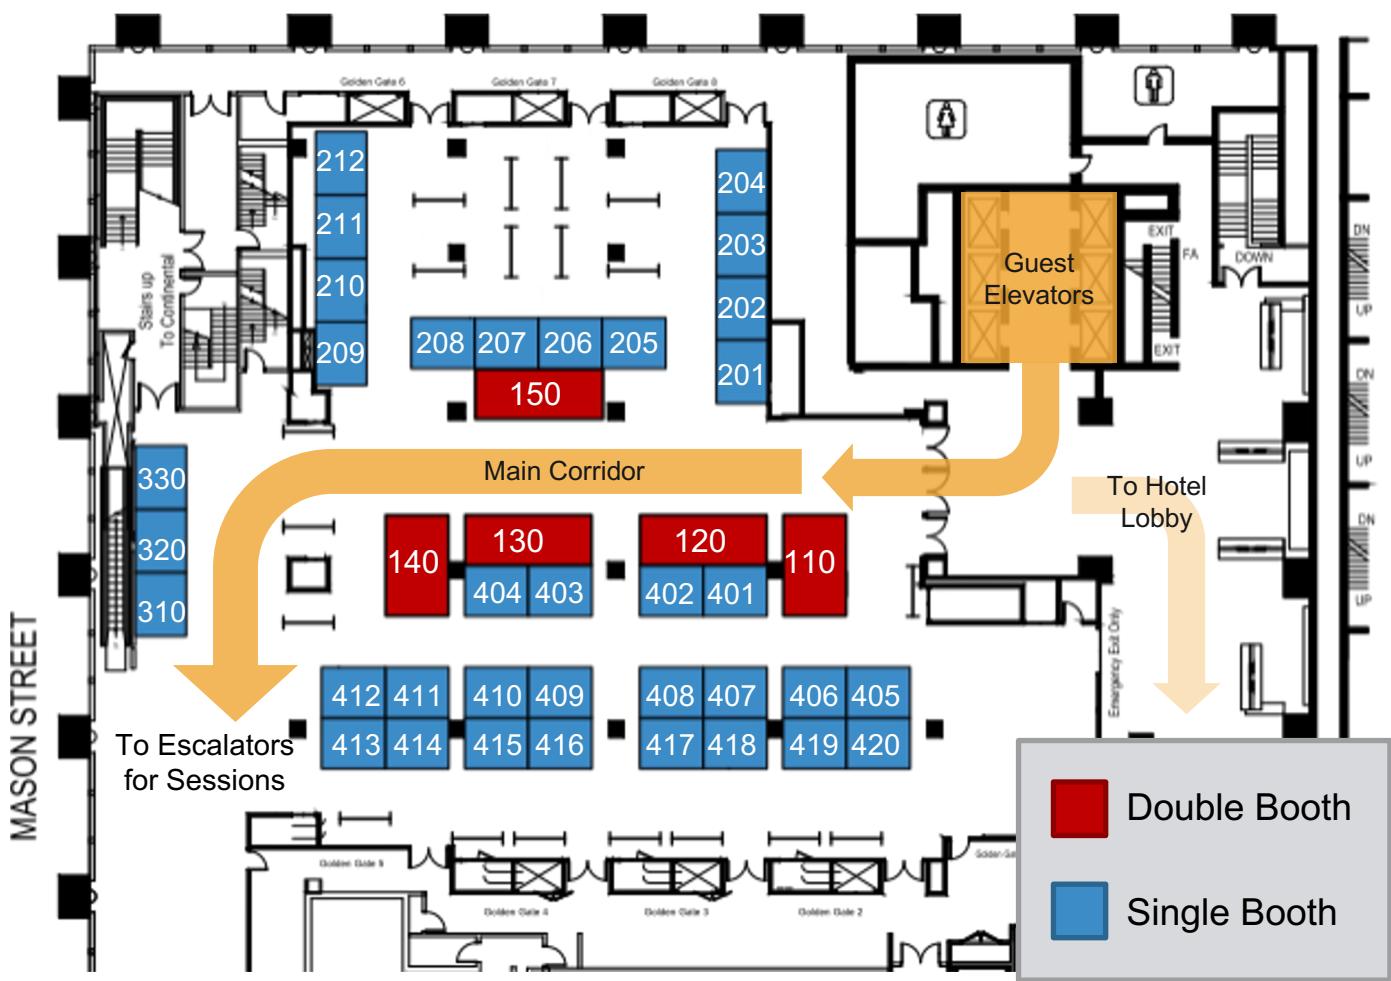

Conference Support Levels

Support Level	Spending Threshold		Intermission Session Slides	Pitch Session and Industrial Highlights Presentation	Additional	
	Early Bird	After 4/4/23			Banquet	Booth Staff
Platinum	\$15000	\$17000	2 custom slides featuring their sponsorship level	Priority given by Support Level	2	+5
Gold	\$13000	\$15000	1 custom slide featuring their sponsorship level		1	+3
Silver	\$10000	\$12000	Logo will be featured on an exclusive slide		-	+2
Bronze	\$7000	\$9000	Logo will be featured on a slide w/ all Bronze Sponsors		-	+1

New for 2023: Select Booth Location

New for 2023, a booth can be selected based on location using an interactive map during registration. Booth selection is first come, first served, and booths are priced according to presumed optimized traffic and flow. The technical sessions will be directly above the commercial session on the next floor. The commercial session can be accessed from the stairs/escalator or the elevators.

Booth Reservations (click <https://eipbn.org/exhibit-sponsor/>)

Booth Size	By 1/18/23	Beginning 1/19/23	Booth Staff*	Technical Pass	Thank You Tickets	Table, 2 Chairs, Electricity
8' x 10'	Starting at \$2000, by location	Starting at \$2400	2	1	2	Yes
8' x 20' or 10' x 16'	Starting at \$5200, by location	Starting at \$6000	4	1	2	Yes

* Additional booth staff available at \$200 per person

Sponsorship Incentives
