ABOUT THE FORUM ON EDUCATION ABROAD

Mission Statement

The Forum on Education Abroad cultivates educators who champion high-quality education abroad experiences that ignite curiosity, impact lives, and contribute to a better world.

Vision

The Forum envisions a future in which education abroad is integral to the mission of higher education, meets the *Standards of Good Practice for Education Abroad*, and is accessible to all students.

ABOUT THE 2026 CONFERENCE

We look forward to welcoming the education abroad community to The Forum on Education Abroad's Annual Conference 2026! We will host the Annual Conference in Nashville, Tennessee, at the Gaylord Opryland Resort & Convention Center, from March 11-13, 2026, with virtual programming from February 11-12, 2026.

Known for having the top professional development opportunities from education abroad experts, Annual Conference attendees can expect valuable networking opportunities with conference goers and exhibitors, inspiring sessions, and actionable learning. Pre-conference workshops, sessions, and posters will tell the story of education abroad while addressing a wide range of topics that help education abroad professionals prepare for pressing and trending topics in the field.

WHY SPONSOR OR EXHIBIT?

The Forum's Annual Conference 2026 builds on a fantastic 2025 event in Toronto, Canada, for the first time! The 2025 conference saw a total of more than 1,300 participants across in-person and virtual options and we hope to see this grow once more for a spectacular gathering in Nashville.

Based on a typical conference year, we would see:

1,100-1,300
Attendees (in person)

700+
Organizations

175+
Speakers

75+
Sessions

100+
Sponsors / Exhibitors
