INS 2026

# Let's Work Together

Dear Partners,

On behalf of the Infusion Nurses Society, we extend an invitation to join us at the INS 2026 Annual Meeting and Exhibition in Louisville, KY, at the Galt House Hotel. INS 2026 will be an exceptional gathering of infusion professionals from around the globe, offering unparalleled networking opportunities and cutting-edge education.

## Why Exhibit at INS 2026

- **Global Infusion Professionals:** Connect with leading professionals in the field of infusion therapy, representing all 50 states and numerous countries worldwide.
- **Dedicated Exhibit Hall Hours:** Engage with a targeted audience during exclusive exhibit hall hours.
- **Top-Notch Education:** Access to high-quality educational sessions that highlight the latest advancements in healthcare.
- **Affordable Marketing Opportunities:** Gain maximum visibility through a mix of budget-friendly marketing outreach before, during, and after the conference, including digital promotions, targeted email campaigns, on-site signage, and more.

## What's New at INS 2026

- **Exhibition Welcome Reception:** An engaging networking event right on the exhibit hall floor. Connect with attendees in a relaxed, social atmosphere—perfect for building relationships and showcasing your products and services. Complimentary refreshments help foster meaningful and memorable interactions!
- **Private Meeting Suites:** Conduct business efficiently with private meeting space conveniently located on the exhibition hall floor.
- **Live Podcasting Sponsorships:** Put your brand in the spotlight by sponsoring a live episode of The INS Infusion Room—recorded right on the exhibit hall floor, offering a dynamic and engaging platform for casual, informative conversations with clinicians and innovators in the infusion space.
- **Expanded Educational Opportunities:** Participate in numerous educational sessions designed to enhance attendee knowledge and engagement.

We are confident that your participation will not only enhance your brand's visibility but also foster meaningful connections within the infusion community.

This prospectus includes detailed information on exhibiting, attendee demographics, rules & regulations, sponsorship opportunities, and more. We look forward to welcoming you to INS 2026 in Louisville, KY!

# Exhibit Rules and Regulations

All exhibitors participating in the INS 2026 Annual Meeting and Exhibition must abide by the following rules and regulations:

## INS Meeting Management

The INS Annual Meeting and Exhibition is produced by, and is the property of, INS. Rulings by INS shall in all instances be final, with regard to the use of any exhibit space and any interpretation and application of these rules and regulations. All matters and questions not covered by these rules and regulations are also subject to the discretion of INS.

## Exhibit Space Contract Submission and Space Assignment

All space assignments are made on a first-come, first-served basis, established by the date the contract was submitted and the payment was received.

Once a contract has been submitted, it is understood that the exhibitor and INS have entered into a legal, binding contract with respect to quantity and size of space requested and the use thereof and all other matters included in the contract. Preliminary space assignments requested in the contract will be placed on hold and, if payment is not received according to the payment policy, the preliminary space assignment will be released back into general inventory for other companies to select. The exhibitor is still responsible for the quantity and size of space requested on the contract and will be required to select new space assignments when payment is received, based on current availability at that time. Exhibit space contract terms are not voided in the event of nonpayment.

INS reserves exclusive rights to allocate exhibit space in a manner most appropriate to the objectives of INS meetings/conventions. However, INS reserves the right to alter the space assignments due to unforeseen circumstances. Special considerations will be given with regard to the date INS receives a signed exhibitor contract. All decisions will be final and binding. Special requests cannot be guaranteed.

## Payment Policy

The full exhibit fee is due within 30 days of the submission of the exhibit space contract. For space reserved after March 24, 2026: The full exhibit fee is due upon receipt.

## Exhibit Space Cancellation Policy

Exhibit space cancellations must be submitted to INS in writing, and based on the date such notification is received by INS, the following cancellation fees will apply.

- **Note: Island booths cannot be cancelled or downsized and are nonrefundable.**
- On or before December 31, 2025: \$200 administrative fee
- Between January 1, 2026 and March 1, 2026: 50% of total exhibit space rental
- After March 1, 2026: 100% of total exhibit space rental

## Exhibit Space Reduction Policy

All requests to reduce the size of contracted exhibit space must be submitted to INS in writing and will be subject to the terms outlined below. Space reductions may also result in the reassignment of space.

- On or before December 31, 2025: \$200 administrative fee
- Between January 1, 2026 and March 1, 2026: Exhibitor is responsible for 75% of the space rental for original space contracted
- After March 1, 2026: Exhibitor is responsible for 100% of the original exhibit space rental fee. No refunds will be issued.

## **Booth Design and Use**

All booths are multiples of 10' X 10'. Levy Exposition Services will provide each exhibitor with a company identification sign, an 8' backwall drape, and a 3' sidewall drape. The rear 4' of the booth may contain exhibit props reaching 8' in height; any props forward of this point cannot exceed 3' in height. Exhibits not conforming to these specifications will be prohibited.

INS reserves the right to reject any booth deemed objectionable by INS standards. INS also reserves the right, in the best interest of the exhibition, to relocate exhibitor space.

## **Height Restrictions**

Inline booths must not exceed 8' in height. Island booths must not exceed the 19' ceiling height in the Exhibit Hall.

## **Island Booths**

All island booths must conform to the IAEE guidelines for exhibits. A rendering of the Island booth must be submitted to INS for approval no later than April 1, 2026.

## **Exhibit Staff Registration**

Exhibitor badges will be issued to allow exhibitor representatives access to the Exhibit Hall during installation, dismantling, and show hours only. Exhibitors wishing to attend educational sessions are required to purchase a conference registration. Exhibitors are required to preregister all exhibit staff for exhibitor badges by April 1, 2026. Instructions will be sent in the Exhibitor Guide. Exhibitors are entitled to 5 badges per 10' X 10' space occupied. If you exceed your allotted amount, there is a fee of \$50 for each additional exhibitor badge. Payment must accompany your registration. Refunds will not be issued for any no-shows on your exhibitor registration list.

In an effort to ensure timely opening of the Exhibit Hall, priority check-in will be given to preregistered exhibitors. On-site transactions will be processed as time permits. Please make every effort to preregister as many personnel as possible.

## **Hospitality Events/Meetings**

Exhibitors wishing to hold receptions, staff meetings, focus groups, or other small gatherings may do so, but the timing of these functions must not conflict with educational sessions, exhibit hall hours, or official evening social events. INS must approve all requests for ancillary events. Requests made directly to the convention center and/or official hotel will not be accepted without INS approval. An affiliate event fee is also required.

## **Exhibitor Housing**

Exhibitors requiring five (5) or more guestrooms per night are required to submit a Sub-Block Agreement to the Hotel, along with a preliminary rooming list and valid credit card to guarantee each reservation. A nonrefundable 1 night deposit for each reservation will be charged.

All block cancellations/reductions must be made in writing and sent via email to the Hotel. An exhibiting company can reduce their sub-block by March 10, 2026 forfeiting the 1 night nonrefundable deposit per reservation. After this date, exhibitors will be held responsible for their entire block booked. A rooming list with specific guest names must be finalized and sent to the Hotel by March 28, 2026.

## **Booth Conduct**

All promotional activities, product demonstrations, and sales conversations must be conducted within the boundaries of your assigned booth. Exhibitors are not permitted to approach attendees outside their designated booth space or block aisles. All interactions with attendees should be respectful and professional in nature. Attendees must be allowed to browse and engage at their own pace without being approached forcefully.

To maintain a respectful and professional environment, INS prohibits the following exhibitor practices: the use of excessively noisy or disruptive equipment, the use of live or recorded music, the operation of X-ray machinery, subleasing exhibit space, and displaying signage or advertisements outside the designated exhibit area. Exhibitors are not permitted to host off-site entertainment or promotional activities that conflict with the official conference hours. Entering another exhibitor's booth or photographing their equipment without permission is strictly forbidden.

By exhibiting at the INS Conference, your company agrees to uphold these standards and contribute to a welcoming and professional environment. INS reserves the right to remove any exhibitor who fails to comply with these rules and regulations. Multiple violations may result in the forfeiture of future exhibiting privileges.

### **Exhibitor Eligibility**

INS shall determine the eligibility of any company, product, or service. INS may reject application of any company whose display of goods or services is not compatible, in the sole opinion of INS. In the event an application is not accepted, any paid space rental fees or deposits will be returned. The agreement is binding upon receipt and acknowledgement by INS. Acknowledgement constitutes one or more of the following: INS confirmation letter or e-mail message, shared meeting information, to exhibitor, receipt of service kit or other information.

### **Dignity**

It is intended that the INS Annual Meeting and Exhibition shall be a serious and dignified offering. Unethical conduct, including but not limited to entry into another exhibitor's booth without permission, or infraction of rules on the part of exhibitors or their representatives, could lead to INS taking any action it deems appropriate, including expulsion or suspension of an exhibiting company. It is agreed that if such action is taken, no refund shall be made by INS, and no demand for redress will be made by the exhibitor or his representatives. It is also agreed that disregard for any rule stated here is considered just reason for INS to prohibit an exhibitor from attending all future INS activities.

### **Liability**

The exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, and leave INS and its employees and agents blameless in all claims or fines and attorney's fees arising out of or caused by the sole negligence of the convention center/hotel, its employees, or agents. In addition, the exhibitor acknowledges that INS, Levy Exposition Services, and the convention center or hotel do not maintain insurance covering the exhibitors' property and that it is the sole responsibility of the exhibitor to obtain such coverage. The exhibitor assumes all responsibility and liability for losses, damages, and claims arising out of injury or damage to exhibitor's displays, equipment, and other property brought on the convention center/hotel premises and shall indemnify and leave blameless the convention center/hotel and agents and employees in any and all such losses, damages, and claims unless losses are the direct result of the convention center or hotel's negligence.

### **Hazardous Materials**

Exhibitors are responsible for the proper disposal of all hazardous wastes (catheters, fluids, blood products, etc.).

### **Insurance**

Exhibitors are urged to take out a portal-to-portal rider, available for a nominal fee, on their own insurance policies, protecting them against loss, theft, fire damage, etc. To avoid damage to equipment, please remain with your exhibit until crates are provided and requested labor is available. Watchmen are appointed; however, INS, Levy Exposition Services, and the convention center or hotel will not assume any responsibility for loss or damage to exhibits, equipment, personal belongings, etc. No volatile or flammable substances or materials of any nature that are prohibited by local ordinance, the fire prevention bureau, or insurance carriers may be used in any booth. The use of any crepe or corrugated paper is prohibited.
