Booth Assignment & Points

Exhibitors will earn one point for every \$1,000 contributed plus one point for exhibiting at SLEEP 2026.

The APSS utilizes a point system to determine exhibit space assignments. Points are calculated based on the amount of support contributed during the 2024 calendar year, plus points from SLEEP 2026. Support includes:

- Exhibit and Sponsorship Fees (e.g. Annual Meeting, Sleep Medicine Trends, etc.);
- Advertisements (e.g. Preliminary & Final Programs, Mailing List Rental, Journal SLEEP, JCSM, etc.); and
- Educational Grants, Contributions and/or Donations made to the Associated Professional Sleep Societies, LLC, American Academy of Sleep Medicine, Sleep Research Society, American Sleep Medicine Foundation or Sleep Research Society Foundation.

Exhibitors with the most points will have priority. The date of receipt of an application will be used in determining booth assignments: 1) in order to break a tie in points or 2) to determine priority of space for applications received after the deadline. To benefit from points, please submit your applications for exhibit space and sponsorships with payment by **February 22, 2026**.

Example:

ACME Sleep Supply submits their SLEEP 2026 exhibitor application; they are eligible to utilize their accumulated points from 2025 towards their 2026 booth placement:

The dress code at SLEEP 2026 is business casual. All exhibitors are required to adhere to this dress code; the APSS reserves the right to remove any exhibitor who does not comply with this dress code from the exhibit hall or meeting space.

FINANCIAL STANDING

At any time leading up to SLEEP 2026, if it is determined that an exhibiting organization is not in good financial standing with the APSS, AASM or SRS, the APSS reserves the right to cancel the booth rental and apply that money to the outstanding debts of the exhibiting organization. The organization will be informed of this decision and will have 30 days to cure all debts. Only organizations in good financial standing will be allowed to exhibit at SLEEP 2026.

FDA REGULATIONS

Exhibitors should be aware of the Food and Drug Administration (FDA) restrictions on the promotion of investigational and pre-approved drugs and devices. The FDA also prohibits the promotion of approved drugs for unapproved purposes.

FIRE REGULATIONS

The Fire Department has strict rules concerning fireproofing of all material used in booth construction and furnishings, as well as securing oxygen tanks and other flammable substance. Should your exhibit include an oxygen tank or other flammable substance, please be sure it is properly secured. It is necessary for you to bring the manufacturer's certification that your booth materials are fireproof. If inspection indicates that an exhibitor has neglected to comply with these regulations, or otherwise incurs fire hazards, the APSS reserves the right to cancel all, or part of the exhibit proven to be irregular. If exhibitors fail to comply with applicable fire regulations, the APSS is not obligated to monetarily refund any exhibitors.

Fire regulations prohibit the storage of empties behind any exhibit or drapery. Exhibitors may maintain a one-day supply of materials within their booth. All excess materials must be removed from the exhibit floor.

FOOD AND BEVERAGE DISTRIBUTION

Exhibiting companies will be allowed to distribute small, 1-ounce portions of individually wrapped candies. Distribution of any other food or beverage items requires payment of a non-refundable administrative fee and approval from the APSS and is subject to the rules and regulations of the Baltimore Convention Center and the Convention Center Catering Company. Any companies distributing samples of their food or beverage products may be required to obtain a permit from the City of Baltimore. All requests should be submitted in writing to the APSS by no later than **April 21, 2026**. Permission will be granted on a limited basis and the APSS reserves the right to deny permission for any food and beverage distributions. Exhibitors may not dispense alcoholic beverages of any kind.

HANDOUTS AND GIVEAWAYS

Handouts and giveaways, including prize contests and drawings, are permitted by the APSS. Please indicate on the application the intended handouts/giveaways. Permission for all handout and give-away items must be obtained prior to the opening of the exhibit hall and materials will only be distributed inside the assigned booth space. Any distributed leaflets are limited to information about the company's products/services. Exhibitors may not hand out flyers of any kind announcing events occurring at times other than the dates of the SLEEP 2026 meeting unless prior approval has been granted. The APSS in its sole discretion shall have the right to prohibit the distribution of any samples or handouts that violates exhibit hall policies, deems objectionable or is otherwise inappropriate.

The distribution of tote bags within your exhibit space is permitted provided that your company pays the sponsorship fee to participate in the program. See the exhibitor application to add bag handouts to your sponsorship total.

INDEPENDENT SERVICE CONTRACTORS

Exhibitors may opt to use independent service contractors (ISCs) for installation and dismantling of exhibit booths. If such contractors are used, the exhibiting firm has the responsibility of notifying

the APSS in writing using the form contained in the exhibitor service kit. Without such notification, the ISC will not be permitted to assemble your booth. Exhibitor shall require and ensure that any ISC has filed a proper certificate of insurance with a liability coverage, including property damage, with APSS Show Management, the Convention Center, and Freeman by **April 21, 2026**.

Communication with an ISC, including the rules and regulations of this prospectus, service kit, and all other exhibit information is the responsibility of the exhibiting company with which the APSS has a contractual agreement. ISCs may not solicit business. Any violation of APSS rules regarding ISCs activities or building rules in any way may result in denial of access and trespass from the facility. ISCs must wear a badge in order to access the exhibit hall for booth installation. ISCs may pick up a temporary badge at the SLEEP 2026 exhibitor registration counter for move-in and move-out. **If ISCs are utilized during show hours, it is the responsibility of the exhibitor to register and issue each individual an exhibit hall only badge, which must be worn.** Other forms of identification will not be honored. It is understood that SLEEP 2026 name badges are the property of the APSS and are not transferrable. ISCs shall only work in the exhibit hall or other areas deemed necessary for their exhibitor. Exceptions may be granted and are made at the sole discretion of APSS management. In the event that ISCs need to work outside the move-in and move-out times, the exhibitor may be required to pay for additional security.

LIABILITY

The APSS is not and will not be liable or responsible for any injuries, theft, loss, damage of whatever nature, direct or indirect, to exhibitors, their employees, agents, goods, or property of any of the foregoing from any cause or omission whatsoever. The exhibitor agrees to protect, save and hold the Associated Professional Sleep Societies, LLC and the Baltimore Convention Center, and all agents and employees thereof (hereinafter collectively called Indemnities) forever harmless for any damages or charges imposed for violations of any law or ordinance, whether occasioned by the negligence of the exhibitors or those holding under the exhibitor, and further, the exhibitor shall, at all times, protect, indemnify, save and hold harmless the indemnities against and from any and all losses,

costs, damages, liability or expenses (including attorney's fees) arising from or out of or by reason of any accident or bodily injury or other occurrences to any person or persons, including the exhibitor, its agents, employees or business invitees, which arise from or out of or by reason of said exhibitor's occupancy and use of the exhibition premises, the convention center or any part thereof. All exhibitors must make provisions for the safeguarding of their own goods, materials, equipment, and display at all times and are responsible for obtaining insurance in such amounts as deemed appropriate to comply with the exhibitors' obligations herein and for the exhibitors' own protection. The space occupied by each exhibitor must be surrendered in the same condition as it was at the time of the exhibitors' use and occupation thereof (ordinary wear and tear expected). APSS shall have sole power in the interpretation and enforcement of all regulations contained herein, and the power to make amendments thereto and such further regulations shall be considered necessary for the proper conduct of the exhibition. Such decisions shall be binding upon exhibitors.

PHOTOGRAPHY AND VIDEO RECORDING

Photography and/or video recording of the exhibits within the exhibit hall by the APSS or press approved by the APSS is allowed. Exhibitors have control over their rented space and may photograph and/or video record their own exhibit. If an exhibitor would like to utilize a photographer and/or videographer in the exhibit hall and/or convention center, APSS management must be contacted for approval. Exhibitors can decide whether meeting participants have permission to photograph and/or record their booth display. Please contact APSS management if you believe a meeting participant has photographed and/or video recorded your booth display without permission.

REJECTION OF APPLICATION

The APSS reserves the right to reject an application, refuse rental of display space, cancel booth space after an application is approved, or curtail or close exhibits or parts of exhibits at any time prior to or during SLEEP 2026. In addition, the APSS reserves the right to deny booth space to organizations and companies that are

direct competitors or do not fit within the mission of APSS. The enforcement of this right is at the sole and absolute discretion of APSS management.

SECURITY

The APSS will provide security to monitor the hall during move-in, exhibition and move-out. The APSS is not responsible in any manner for the guard's actions, omissions, or damages, or claims which may result from such actions or omissions. Neither the APSS nor the Baltimore Convention Center will assume responsibility for exhibitors' property. Valuable items should be placed in a locked compartment in the booth or removed from the hall after show hours. If exhibitors would like their own security, they are also required to use the services of the Baltimore Convention Center.

SELLING PRODUCTS

The APSS will permit on-site sales within the SLEEP 2026 exhibit hall. In order to conduct on-site sales, exhibitors must strictly adhere to all applicable rules, policies and procedures prior to, during and following the annual meeting. Exhibitors choosing to participate in direct sales must clearly indicate such intent on their application and contract for exhibit space. Exhibitors are solely responsible for (i) paying all applicable state and/or city sales taxes; (ii) complying with all tax laws, regulations and policies of the meeting's host city and state; and (iii) complying with any other associated tax laws, policies, regulations, or requirements. The APSS is not responsible or accountable in any way for sales conducted within the exhibit hall, collection or payment of sales tax, compliance with applicable tax laws, or for any violations made by an exhibiting company concerning sales tax, or any other applicable tax laws, policies, regulations, or requirements.

The exhibitor must provide all information and complete all applications requested from the host convention center, host city and/or host state prior to, during and following the annual meeting. The APSS is not liable for providing an exhibiting company's relevant information.

Baltimore law requires all exhibitors making sales in the exhibit hall to (i) obtain a temporary registration certificate from the State of Maryland prior to the date of the meeting; and (ii) report and pay the appropriate business and occupancy taxes and collect

the appropriate retail sales tax on all applicable sales. Exhibitors failing to comply with the laws regarding exhibit hall sales will be removed from the exhibit hall. Exhibitors must provide APSS with a list of products and/or services that are intended for sale during the annual meeting no later than **April 21, 2026**. The APSS may decline the sale of any product and/or service within the exhibit hall, in its sole and absolute discretion. Sales cannot be conducted outside of the SLEEP 2026 exhibit hall at any time during the annual meeting. All exhibitors are required to adhere to the rules and regulations outlined within the exhibitor prospectus; the APSS reserves the right to remove any exhibitor who does not comply with the exhibit hall or meeting space's rules and regulations.

USE OF APSS AND SLEEP 2026 NAME/LOGO

The Associated Professional Sleep Services, LLC (APSS) and SLEEP 2026 name, logo and acronym are proprietary and may not be used in signs, advertising, promotions or on any product literature either inside or outside the exhibit hall. This rule applies before, during and after the SLEEP meeting, unless prior authorization has been received from the APSS.

STAFFING OF EXHIBITS

Exhibits must be staffed and operational at all times during show hours. Exhibitors vacating their booth before the closing of each day or prior to the final close of the show will incur a loss of priority points and may be denied exhibit space at future SLEEP meetings. Move-out may not begin before 1:30 p.m. on Wednesday, 17, 2026.

SUBLETTING/SHARING

No subletting or sharing of exhibit space is allowed. Exhibitors may show only products or services manufactured or dealt by them in the regular course of business. The featuring of a name or advertisement of a non-exhibiting firm or business is prohibited.

UNIONS AND CONTRACTORS

Exhibitors agree to abide by the rules and regulations concerning local unions having agreements with the exposition facility or with authorized service contractors employed by exhibit management. Only the official contractors designated by exhibit management will be permitted in exhibit areas unless otherwise authorized by exhibit management. Exhibitors are cautioned to observe the regulations as provided herein. Failure to comply with these or any other regulation or any amendments thereto may be sufficient cause to require the immediate removal of the offending exhibitors.
