## Why Exhibit at the FelineVMA Conference?

The FelineVMA Conference continues to be a top priority event for all those who are interested in providing the best care for cats. Our bustling, interactive Exhibit Hall and high-quality expert speakers attracts veterinarians, technicians, and students who are dedicated to learning more about diagnosis, treatments, monitoring, enrichment, welfare, and management for feline patients.

FelineVMA attendees have asked to see NEW products and new exhibiting companies! This is a group of attendees that wants to visit each exhibit booth and ask lots of questions. You will see attendees at every coffee break, lunch, and a reception because they take place in the exhibit hall. In addition, all registered exhibitors receive a full hot lunch, and CE is also included for veterinarian exhibitors.

Over 98% of in-person attendees visit the Exhibit Hall.

### ADVERTISING & MARKETING OPPORTUNITIES

To give our exhibitors a better opportunity to highlight their newest products and services, we have devised the following opportunities to enhance exposure.

*\*Please note: All new exhibitors or advertisers must get pre-approval from the FelineVMA Conference Task Force.*

#### PRODUCT SHOWCASE

- The Product Showcase provides a forum to share and highlight information about products and services through a full panel display (38.125" x 93") for all conference attendees to view.
- Panels are limited and each company must submit their artwork by August 7, 2026.

Cost: \$850.00 per panel (limit one product per panel)

#### BAG INSERT

- To help drive traffic to your booth and increase awareness of your brand, place a promotional flyer, brochure, drawing/raffle card, or coupon in each attendee's totebag. It's a virtual guarantee that each attendee will walk away with at least one piece of information about your company.
- The bag insert is limited to one page but can be two-sided; it can't be any larger than 8.5" x 11". You must provide and ship 1,500 (\*this could change closer to the meeting based on limitations) inserts to the address on the shipping label (available in the Exhibitor Portal) no later than August 10, 2026.

Cost: \$550.00 per insert

#### ONSITE PROGRAM BOOK ADVERTISING

- Encourage attendees to visit your booth by placing an ad inside the Onsite Program Book, which attendees will keep with them, carry around, and refer to each day of the conference.
- Ads are full color and come in half and quarter page sizes and each company must submit their artwork by July 31, 2026.

Cost: \$950 Half page; \$495 Quarter page (limited to 5 full pages on a first come, first serve basis)

The Exhibitor expressly releases Show Management and the Hotel, its directors, officers, agents, and/or employees, from any such loss, damage or injury.

Show Management and the Exhibitor agree to waive the right of subrogation by their insurance carriers to recover loss sustained under the respective insurance contracts for real and personal property.

Show management, its staff, employees, or agents assume no responsibility or liability whatsoever in matters relating to restrictions imposed on any Exhibitor by any governmental agency. ## OPERATION AND CARE OF EXHIBIT SPACE

Potential exhibitors are advised that contests, lotteries, raffles, and games of chance may not be conducted without prior approval of the FelineVMA and appropriate authorities. All business activities of the Exhibitor must be within the Exhibitor's assigned space. Each exhibit must be staffed at all times during Exhibit Hall hours by bona fide employees or representatives of the exhibiting company. Exhibitors who fail to have their booths staffed during show hours are subject to the loss of existing space for the following years conference. The FelineVMA reserves the right to restrict exhibits that, for any reason, become objectionable. The FelineVMA reserves the right to prohibit or evict any exhibit that, in the opinion of the FelineVMA leadership, detracts from the character of the conference. In the event of such restrictions or evictions, the FelineVMA is not liable for any refunds or rentals or other exhibit expenses.

Literature distribution is limited to the Exhibitor's assigned booth and will not be permitted in any other part of the Exhibit Hall, meeting rooms or other areas of the hotel. The FelineVMA reserves the right to immediately dispose of any and all unauthorized materials found outside of an Exhibitor's assigned space(s).

Questions concerning the appropriateness of any promotional materials or activities should be directed to the FelineVMA Staff, who will work with the FelineVMA leadership. Any conference attendee may advise the FelineVMA staff of irregularities observed in the exhibit areas, such as unauthorized solicitation or other objectionable activity.

Exhibitors shall care for and keep in good order the space occupied. The convention center will vacuum carpets and aisles once each day during closed hours, but this service does not include individual exhibit areas, dusting or any special cleaning. Exhibitors must surrender occupied space to the management in the same condition as it was at the commencement of occupation. If the space occupied or equipment furnished to the Exhibitor is damaged by the Exhibitor, its agents or employees, the Exhibitor, on demand, shall pay such sum as shall be necessary to restore said space or equipment to the same condition as it was when first occupied or received by the Exhibitor. No early dismantling of exhibits will be permitted. Early breakdown without permission may result in forfeiture of booth space in future years.

## BOOTH SUBLETTING OR SHARING

Booth subleasing is strictly forbidden. Only the Exhibitor identified on the registration form is permitted to exhibit at the booth. Exhibitors may not share booth space without express permission from the FelineVMA leadership, and approval from the Conference Task Force.

## NON-EXHIBITING SUPPLIER STATUS

Non-exhibiting suppliers may not "suitcase" the show, approach attendees and exhibitors for the purpose of informing about products/services, or sell their products in the aisles. This practice is prohibited by event regulations. Anyone who is observed approaching attendees anywhere at the meeting including in the aisle or in an Exhibitor's booth, who is not a legitimate Exhibitor, should be reported to Event Management. The non-exhibitor will then be asked to curtail this activity or to exit the event. These measures will be strictly enforced with the intent of preserving the integrity of the event and maintaining a good relationship between attendee and Exhibitor.
