Elsevier
Elsevier's Student Code of Conduct: Fostering Civility and Academic Integrity — Online Course
 ISBN: 978-0-323-48407-7

See page 6

NEW EDITION!

Expert guidance for incorporating endodontics into general dentistry practice

- **NEW!** Sharper focus on the most clinically relevant content eliminates much of the basic science that students have already learned and focuses on the information and skills that are most needed during clinical practice.
- **NEW!** Mid-chapter review questions allow students to check their comprehension before moving on to the next topic within a chapter.
- **NEW!** Expert Consult companion website offers a fully searchable digital version of the book, as well as 67 video clips demonstrating essential procedures.
- Fully updated coverage focuses on practical, clinically relevant information, integrating the best clinical evidence with the practitioner's clinical expertise and the patient's treatment needs and preferences.
- Well-known, international contributors share guidelines, expertise, and their clinical experience with contemporary technologies and procedures.

2021 • ISBN: 978-0-323-62436-7

Also available as an ebook

NEW EDITION!

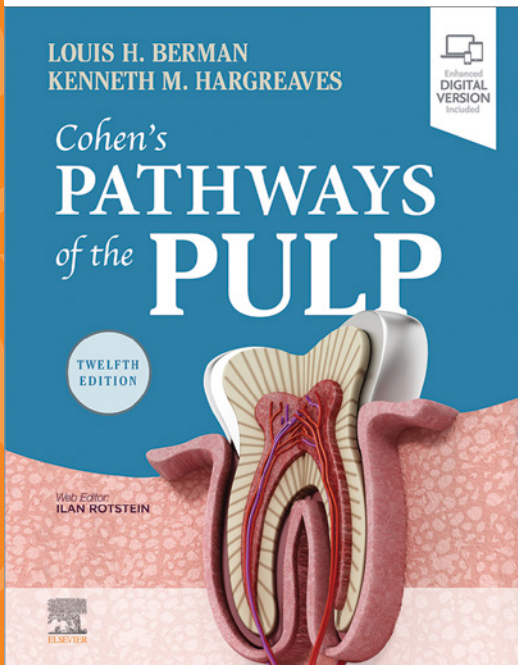

The definitive guide to the science, theory, and practice of endodontics

- **NEW!** Updated content and new images incorporate the most recent developments in research and clinical endodontic techniques.
- **NEW!** Compliance with the Commission on Dental Accreditation Curriculum ensures that the needs of all dental programs are met.
- Companion website offers a fully searchable digital version of the book.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Image collection

September 2020 • ISBN: 978-0-323-67303-7

Also available as an ebook

NEW EDITION!

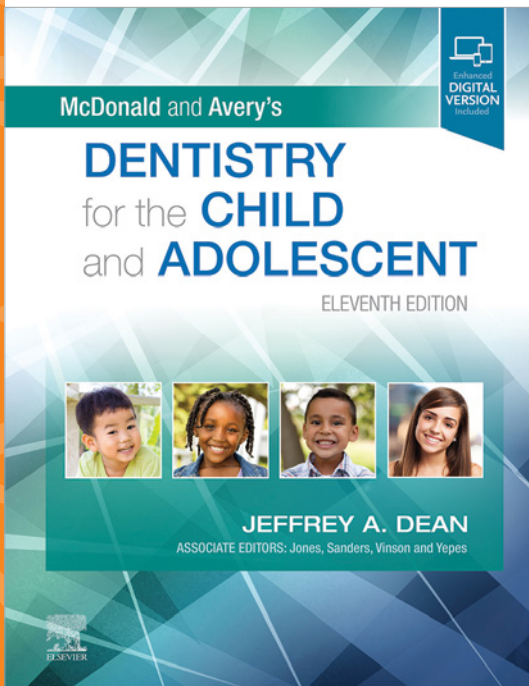

The go-to source for complete coverage of oral care for infants, children, and teenagers

- **NEW! Updated content** addresses pain management; dental bleaching; COVID-19 in children; preventive, interceptive, and early orthodontic treatment; patient-centered care and patient/parent consent to treatment; periodontal classification for children; and community dentistry.
- **NEW! Sections on sleep apnea, the oral implications of vaping, and pulp recommendations** feature the latest research-based information.
- **NEW! Six additional videos** and updates to existing videos visually demonstrate key concepts.
- **Expert Consult companion website** offers a fully searchable digital version of the book, plus videos and case studies.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Image collection
- Test bank

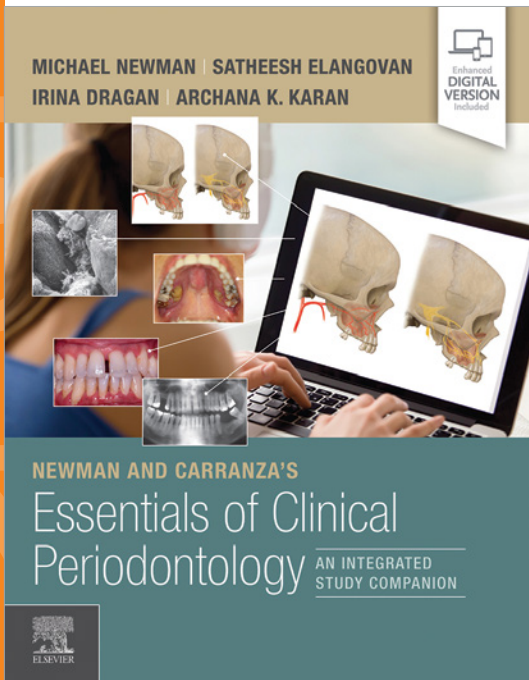

April 2021 • ISBN: 978-0-323-69820-7

Also available as an ebook

NEW!

Highly visual, case-based study companion to the latest edition of *Newman and Carranza's Clinical Periodontology*

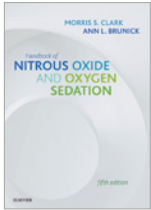

- **Fast Facts** present five to ten important exam-oriented, take-home messages from corresponding chapter(s) in *Newman and Carranza's Clinical Periodontology, 13th Edition*.
- **Clinical Tips** offer three to five concepts with direct clinical correlations from the corresponding chapter(s) in *Newman and Carranza's Clinical Periodontology, 13th Edition*.
- **Emphasis on clinical problem solving** includes one case-based learning activity per chapter and eight to ten questions and solutions with explanations.
- **Basic science and background information** helps clearly explain clinical correlations.

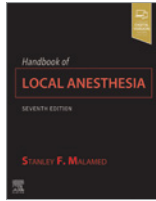

March 2021 • ISBN: 978-0-323-75456-9

Cosmetic Facial Surgery, 2nd Edition
 2018
 ISBN: 978-0-323-39393-5

Give your students the guidance they need to be good academic citizens!

- **UNIQUE!** Five self-directed learning modules help new health professions students understand all aspects of being an ethical student, including academic civility, honesty, and responsible use of social media.
- **UNIQUE!** Case studies based on real-life issues promote awareness of how seemingly simple decisions can lead to real problems that could prevent them from graduating, hurt their future job prospects, or even harm their patients.
- **UNIQUE!** Interactive exercises help students engage with the content and apply the concepts they are learning.
