**BSN Medical has been at the forefront of professional healthcare for years, pioneering some of the most sophisticated solutions in wound care, compression therapy, casting and non-invasive orthopedic products.**

Now, we are proud to be part of Essity, a leading global hygiene and health company. The name originates from 'everyday essentials and necessities'. Which is exactly what we as a company provide in over 150 countries via brands like Tempo, Zewa and TENA. With approximately 48,000 employees, we're driven by improving health and hygiene for everyone, everywhere.

We strive to bridge the gap between patients and healthcare professionals. By combining our offer, we create even better solutions. Our products and service level stay the same as you are used to.

We do this for you, your patients and everyone around them.
