

# THE BENEFITS OF MEMBERSHIP

AMERICAN VEIN &  
LYMPHATIC SOCIETY

# We ARE...

## ADVOCACY

---

The AVLS is the voice for venous and lymphatic disease, working to increase awareness of the specialty and standards of care with both the medical community and public.

### **Affecting Policy**

The AVLS has been a representative to the AMA House of Delegates since 2008, with a direct voice in Centers for Medicare & Medicaid Services (CMS) recommendations, the CPT coding committee, the Residency Review Committee and the [U.S. Preventative Services Task Force \(USPTF\)](#).

## RESEARCH

---

The AVLS is committed to expanding research opportunities in venous and lymphatic medicine through the PRO Venous Registry, awards and grants, and abstracts.

### **PRO Venous Registry**

The AVLS Patient Reported Outcome (PRO) Venous Registry has been developed specifically to serve our specialty and contribute to the science in a way that is meaningful to the practitioner as well as for insurers and policy-makers.

### **Awards and Grants**

Annually the AVLS provides funding opportunities for groundbreaking venous and lymphatic disease research.

### **Abstracts**

Each year for our Annual Congress, the AVLS collects abstracts from all over the world to present.

## EDUCATION

---

The AVLS delivers the most comprehensive education and training in a variety of formats that speak to your level of skill and busy schedule.

### **Accredited Provider**

The Society is accredited by the Accreditation Council for Continuing Medical Education (ACCME) with Commendation to provide continuing medical education for physicians. In addition, the AVLS also works with the Society of Vascular Ultrasound (SVU) to offer SVU-CME for select activities.

### **Essential Education**

The AVLS delivers live and online education in a variety of formats suited to your level of skill and busy schedule. Members save up to 30% on live and online educational activities.

# Supporting Your Practice

The AVLS has the resources and support to help you safeguard your practice, stay informed and make patient care more efficient.
