

## WE ARE AWARDING NINE GRANTS IN 2023

Cardinal Peak Technologies (CPT) is the developer of the CaseCracker interview recording system, the industry-leading solution for interview recording. CaseCracker has been adopted by over 1,300 agencies and organizations worldwide, including local, state and federal law enforcement agencies, as well as child advocacy centers.

CaseCracker Onyx is an effective and reliable recording tool that enables children's advocacy centers to easily record and review forensic interviews with child abuse victims and collaborate with other victims' services colleagues.

### WHO IS THIS FOR?
