When health insurance is not enough, HealthWell fills the gap.

The HealthWell Foundation® is an independent, national non-profit organization that provides financial assistance to insured Americans living with chronic and life-altering illnesses to help them afford critical medical treatments. If you have insurance (Medicare, Medicaid or private), but still need assistance with your out-of-pocket medical costs, HealthWell may be able to help.

Eligibility is based on your financial, medical and insurance situation. You may qualify if:

- > you are being treated for a disease that we cover
- > your insurance covers your medication; and
- > your income falls within our guidelines.

For a complete list of diseases we cover and to determine eligibility, visit us at: www.HealthWellFoundation.org

Our services are free of charge.

In 2023, HealthWell provided a financial lifeline to over 200,000 patients who had nowhere else to turn.
